

# KEVIN.MURPHY ANGEL.WASH

For fine, coloured hair

A delicate recovery shampoo for fine, fragile or broken hair that is coloured or damaged. Milk proteins control frizzy hair that may have suffered from long term medication, chemical straightening or bleaching. ANGEL.WASH gently cleanses while maximizing colour retention. ANGEL.WASH protects against free radicals, inhibits UVA oxidation essential for repair of damaged hair

## Key features & benefits

Sulphate & Paraben free    Volumising    Reduces breakage    Antioxidant rich  
 Colour safe    For fine, fragile, coloured hair    Thickens hair    pH 6.3 - 7.0

## Key Ingredients

Helps to relieve stress and is uplifting, while the astringent is a great cleanser for oily scalps and hair An excellent emollient for adding moisture to the hair. It makes hair more resilient to tangles and helps avoid damage and split ends	<b>Citrus Paradisi (Grapefruit) Peel Oil</b>
Gently cleanses while maximizing colour retention	<b>Sulfate-Free Surfactants</b>
For fullness and body	<b>Hydrolysed Oat Protein</b>
Protects against free radicals, inhibits UVA oxidation, and repairs damage from oxidation	<b>Helianthus Annuus (Sunflower) Seed Extract</b>
Promotes healthy growth, balances sebum production, and stimulates regeneration	<b>Lavendula Angustifolia (Lavender) Extract</b>
Strengthening antioxidant that helps prevent breakage	<b>Camellia Sinensis Leaf Extract (Green Tea)</b>
A highly refined, natural protein derived from whole wheat. Wheat protein improves body and shine while imparting a conditioned feel to the hair.	<b>Hydrolysed Wheat Protein</b>
Helps lock down cuticle for natural shine. Antioxidant vitamins A and C protect against stress.	<b>Citrus Tangerina (Tangerine) Peel Oil</b>
Gives hair natural shine and manageability	<b>Pelargonium Gravelons (Geranium) Flower Oil</b>
Rich in vitamin C and calms scalp inflammation	<b>Rose Canina Fruit Extract</b>
Protein enzyme that decomposes oxygen to prevent oxidation of colour	<b>Superoxide Dismutase</b>
