Repairing Treatment

Using high-tech skincare technology, enzymes derived from Papaya and Pineapple combined with Green Pea Protein, bind moisture to reconstruct damaged hair. Amino Acids like Arginine and Lysine, the building blocks of repair, will help to rebuild and restore hair with elasticity, strength and moisture. Directions: Replaces shampoo and conditioner on day of use. Apply to wet hair and scalp, leave for 2 – 3 minutes, then rinse. To be used 1 – 2 times per week.

Key Features & Benefits

Sulphate Free	Paraben Free
Nourishing	Replenishing
Restorative	Strengthening

Key Ingredients

This powerful enzyme from Papaya unlocks and increases the potency of other ingredients to bind moisture and improve the hair's elasticity.

Papain

Protein enzyme in Pineapple penetrates the hair to provide targeted nutrition without weighing the hair down.

Pineapple Fruit Extract

A superfood rich in amino acids that intensely nourishes and replenishes the hair.

Green Pea Protein
