

# KEVIN.MURPHY UN.DRESSED

Fibre paste. Flexible hold

A firm elastic paste to create a loose, undone, natural look. Infused with Black Pepper, Honey & Ivy extracts for a matte texture.

UN.DRESSED contains ingredients that are designed to stretch and spring back, making it movable while still giving the hair definition.

The scent is a fresh blend of Essential Oil of Black Pepper, Essential Oil of Elemi, Essential Oil of Ylang Ylang and extracts from Watercress, Coriander, Vanilla and Grapefruit, making the fragrance unique, fresh and spicy.

Directions: Apply to damp or dry hair.

## KEY INGREDIENTS

The Candelilla plant is a succulent that is harvested wild in nature. One could easily accuse the Candelilla plant of anarchism, as all efforts to cultivate the Candelilla plant failed. Indigenous to Mexico in the northern states of Chihuahua, Nuevo Leon and Zacatecas, the Candelilla plant indeed does not like at all to live in captivity.

### Candelilla Plant Extracts

---

Provides definition and allows molding and setting of the hair.  
Helps seal in moisture which prevents hair breakage  
and keeps hair looking healthy and shiny.

### Beeswax

---

Maintains and restores hairs natural elasticity,  
providing the perfect amount of pliability.  
Brings shine and luster to hair.

### Shea Butter
