

# KEVIN.MURPHY UN.TANGLED

Leave-in conditioner, detangler.

A leave-in conditioner formulated with a complex of nourishing Australian Fruit extracts. Helps to detangle, strengthen and restore hair, with added heat protection. Paraben free.

## Key features & benefits

Detangling	Strengthening
Restorative	Heat protection
Moisture retention	Paraben free

## Key Ingredients

Chosen for their resilience to harsh climatic conditions, these carefully picked extracts are hydrophilic, meaning they can absorb moisture from the air. Rich in vitamins and essential fatty acids, these extracts were shown to flourish despite the harsh climatic conditions.

6 Australian Fruit Extracts  
(Desert Lime, Australian Round Lime, Illawara Plum, Australian Finger Lime, Burdekin Plum and Kakadu Plum)

Properties include anti-irritant activity, anti-oxidants and the prevention of damage to cell structure while protecting the integrity of the hair's health. Also contains abundant vitamins and is also a rich source of flavone, phenolic acid, lactone, and polyose.

Golden Bamboo

Tasmanian Pepper penetrates the hair structure to fight oxidation and promotes collagen production. It also behaves like an alpha-hydroxy acid (AHA). Provides a soothing and softening effect to the hair and scalp.

Tasmanian Pepper

Aniseed Myrtle absorbs into the hair and scalp to increase blood flow to the scalp and fight aging of the hair. Results on the hair can be seen in the form of strength, shine and increased elasticity.

Aniseed Myrtle

Wild Rosella absorbs into the hair shaft to fight oxidation and repair the hair's surface. It has a high concentration of antioxidants, Vitamin A, C & E. It produces a protein that assists in revitalizing the hair and skin.

Wild Rosella Flower

Lactic acid relaxes and smoothes the hair surface. It is said that lactic acid can help to restore strength and elasticity to hair by altering the ionic charge of the hair's molecule.

Lactic Acid

Provides unrivalled defence against the intense heat generated by modern appliances while delivering impressive style hold. This product offers X-treme heat protection, protecting hair at temperatures up to 220°C (428°F).
